

# TABLE SERIES SUPERCIRCULAR™, CIRCULAR & RECTANGULAR

PIET HEIN/BRUNO MATHSSON/ARNE JACOBSEN 1968

The tables are available in two finishes; laminate and walnut veneer.  
The laminate versions come with an aluminum edge, while the veneer version comes with a veneer edge. Depending on the shape of the table there is a choice of two types of bases: Span legs (2 heights) in chromed steel and a 4 or 6 star base with a satin polished aluminium foot and a chromed steel pedestal. Selected tables with span legs (height 72 cm) are also available in white, black or grey powder coated steel.
